## Confirmation Preparation

Confirmation is the sealing of the candidate's Baptism and a sign to the parish community of readiness to be active as a disciple of Christ, strengthened by grace and the gifts of the Spirit. The two-year preparation program includes seventh and eighth grade Shrine Religious Formation students and Shrine Catholic Academy students. Candidates are confirmed in the fall of their ninth grade year following successful participation in the Confirmation preparation program. Please refer to the *Confirmation Sacramental Preparation* pamphlet for more details.

## Adolescent Spirituality & the Role of Parents

As youth mature, they often enter a questioning phase of spiritual development. Properly respected, this can ultimately lead to the ownership of faith. Parents and adult role models play an important part at this time and studies show adolescents want their families to be involved, even if they do not always express it. Parents set examples by instilling strong faith practices in the home and through regular Sunday worship, providing a solid foundation for their children.

## Curriculum

The Shrine Religious Formation program uses the "Catholic Connections Handbook for Middle Schoolers" series published by St. Mary's Press. The same handbook is used in both the seventh and eighth grades. Seventh graders study Jesus the Christ, Liturgy and Sacraments, and Prayer. Eighth grade students cover the sections of the handbook which discuss God, Revelation, and Faith, The Holy Spirit and The Church, and Christian Morality and Justice. Eighth grade students also use a new Confirmation handbook from St. Mary's Press, entitled "Anointed in the Spirit".

At least once a month, all students will participate in prayer and a reflection activity to guide them through the rest of their week and their Confirmation journey.

## Expectations

Just as Jesus called His disciples to be active in ministry, participants are expected to join in discussions and activities, being attentive and considerate of adults and other students. The Shrine Catholic Schools graciously accommodate our weekly sessions and we stress the importance of students respecting their fellow parishioners' property. Discipline problems will be addressed to the 7th & 8th Grade Coordinator and parents will be notified of chronic problems. If you have concerns about your child, please contact the Coordinator or Religious Formation Office at any time during the year.

Mid-year progress reports summarize general comprehension of covered material, behavior and attendance. Parents are encouraged to complete the comment section and return the progress report to help us serve you better.

Shrine offers many opportunities for young adolescents to be involved in parish ministry, including lecturing at the 9 am Mass, singing in the treble choir, being a Minister of Hospitality, and taking part in service projects. Please encourage your teens to explore active participation in parish life.

## Session Times & Attendance

All events take place at the Shrine Catholic High School & Academy campus from 6:15- 7:30 pm, unless otherwise noted.

Faith formation is a responsibility parents accept when requesting the Sacrament of Baptism for their children. While we recognize that adolescents have many activities, their religious formation and sacramental preparation should have the highest priority, and we thank parents for supporting this. Public schools cannot penalize students for attending religious-based programs or liturgies in lieu of school or sports events. If this is a problem, please contact the Religious Formation Office.

Attendance is key to adolescents' understanding of catechetical material. Students may not miss more than 5 classes per year. If this occurs, the promotion to the next grade level or reception of the Sacrament of Confirmation may be delayed. We strongly discourage taking students out of class early. In cases of true emergency, the 7th/8th grade Coordinator, will assist parents signing out students. For safety's sake, students will not be released early without a parent.

In cases of inclement weather, please follow the Royal Oak School District closings.

## Parent Resources and Communication

The *Shrine Herald*, our church bulletin, features a section where all events, calendar changes, liturgies, service project opportunities, and family events will be detailed. Back issues of the *Herald* and additional resources for parents and teens are available on the church's website [www.shrinechurch.com](http://www.shrinechurch.com). Be sure to check these sources often.

## Sacramental Information

Children are prepared to receive the Sacrament of Confirmation in the seventh and eighth grades. If you have a child entering the eighth grade with at least one additional prior consecutive year of formal religious education OR the seventh grade, you will receive additional information as the year progresses.

If your teen has not been baptized or has not received the Sacraments of Reconciliation and First Holy Eucharist, please contact our office.

## Tuition

This program welcomes young people in grades seven and eight. Registration forms may be obtained from the Parish Office or the Religious Formation Office. Tuition is \$65 per student for registered Shrine parishioners, \$130 for non-parishioners. Statements are distributed at the beginning of the program year and payment is expected by Friday, October 28, 2011. No family will be turned away due to inability to pay.
